### Simple DIY costumes you can assemble fast

<b>Classic toga or philosopher</b>	A white bed sheet or large piece of fabric folded lengthwise and wrapped around your torso with one end over a shoulder; secure with a rope or belt and add a laurel wreath cut from cardboard or purchased. Sandals or simple leather shoes complete the look. A fake beard and scroll makes you look like Socrates.	Sheets and belts are easy to find at home. For laurel headbands, check local stores like <b>EIVITOYS</b> or <b>Tur Toy</b> in Ibiza—local guides say they carry a wide variety of costumes and accessories for adults and children <sup>1</sup> . You can also order a basic Greek god costume from Funidelia; they sell a <b>“Disfraz de Dios griego para hombre”</b> (tunic with belt and wristbands) and deliver to the Balearic Islands in about <b>48 hours</b> for €6.99 <sup>2</sup> . Disfrazzes sells similar tunics and ships to Spain in <b>24/48 h</b> when the order exceeds €60 <sup>3</sup> .
<b>Zeus or Poseidon</b>	For Zeus: start with a white toga; add gold trim or rope belts, a laurel crown and a lightning bolt prop cut from cardboard and painted yellow. Poseidon can be done with a blue/teal tunic, a trident (painted broomstick with cardboard prongs) and sea-themed decorations like shells.	<b>Disfrazzes</b> offers ready-made versions such as <b>“Disfraz de Dios Griego Hades con Capa para hombre”</b> (Hades) for about €35–36 with <b>24 h / 48 h</b> delivery <sup>4</sup> and a <b>“Disfraz de Dios Poseidón para hombre”</b> (Poseidon) for about €46.99 <sup>5</sup> . Their shipping is free if your order exceeds €60; otherwise the Balearic shipping fee is approximately €6.99 and the packages arrive in <b>48 hours</b> <sup>4</sup> . Funidelia also sells Zeus/ Greek god costumes with delivery to the Balearic Islands within 48 hours <sup>2</sup> .

<b>Spartan warrior / Greek hero</b>	Wear a short tunic (brown or maroon), add a cloak, leather-look wristbands and a belt. A foam or cardboard shield and spear complete the warrior look. This can be exaggerated by adding fake muscles or six-pack armour using cardboard or foam painted bronze.	Disfrazes stocks Greek warrior costumes such as <i>Hades</i> , <i>Poseidón</i> and other heroes; these ship to Ibiza in <b>24 h / 48 h</b> <sup>4</sup> . If you prefer to build your own, local craft stores in Ibiza sell EVA foam and paint.
<b>Greek philosopher with scroll</b>	Use the simple toga described above; carry a rolled parchment (plain paper aged with tea). Pair with sandals and a fake beard. Add a chalkboard or sign with a philosophical quote for humour.	DIY using household materials. For ready-made tunics, Funidelia's basic god costume is a close match and delivers in <b>48 h</b> <sup>2</sup> .
<b>Dionysus (god of wine)</b>	Wear a purple or wine-coloured toga, ivy or grapevine crown (made from artificial vines or printed leaves), and carry a faux goblet. Add grape clusters (real or artificial) pinned to the belt. This costume can be over-the-top when you drape yourself in faux fur or add gold chains.	You can make it yourself using a coloured sheet and plastic grapes from a craft shop; look for accessories at Ibiza toy stores like <b>Toy Planet Ibiza</b> or <b>Don Dino</b> which carry costumes and accessories <sup>6</sup> .
<b>Mythological creature (satyr or Pan)</b>	Wear brown leggings or shorts, attach faux fur or brown fabric around the legs to simulate goat hair, and add horns made from cardboard covered in felt. A flute prop completes the satyr look.	DIY using craft supplies. Horns, wigs and ears are sold at local Ibiza costume shops such as <b>EIVITOYS</b> and <b>Tur Toy Stores</b> , which stock numerous accessories <sup>1</sup> .

## Over-the-top or exaggerated ideas

These options require more accessories or dramatic pieces but will stand out at a party.

Costume idea	What makes it exaggerated	Where to get it
<b>Greek god with armour (Zeus/Hades/Ares)</b>	Wear a tunic but add <b>armour</b> —a chest plate made from metallic-looking foam or purchased costume armour. Use a large cape, laurel crown, shiny cuffs and a dramatic prop (e.g., lightning bolt for Zeus, trident for Poseidon or black robe for Hades). Paint exposed arms/legs bronze or gold for dramatic effect.	Disfrazzes offers premium costumes like Hades and Poseidon with capes that are available for <b>24 h / 48 h</b> delivery <sup>7</sup> . Add extra armour by purchasing accessories from Disfrazzes (shields, helmets) or Funidelia (their site lists accessories such as helmets and swords).
<b>Spartan 300 soldier</b>	Inspired by the movie <i>300</i> : wear a muscle chest plate or padded vest, short red cape, leather loincloth and sandals. A Corinthian helmet and large round shield make it over-the-top.	Ready-made 300-style costumes are sold on marketplaces like <b>Amazon.es</b> and <b>Disfrazzes</b> . Disfrazzes' shipping to Balearic Islands is 24/48 h <sup>4</sup> ; Funidelia's is 48 h <sup>2</sup> .
<b>Greek king of parties (Ibiza twist)</b>	A tongue-in-cheek "Greek king of nightlife" look: a toga combined with sunglasses, gold chains, flashy sandals and a party goblet. Add neon or LED accessories (e.g., LED laurel wreath).	Assemble using a simple toga and accessories from local Ibiza shops. For a ready-made outlandish set, look at fancy-dress kits like the "Ibiza Final Boss" accessory set (vest, wig, chain, sunglasses) found on UK websites; adapt it to your Greek outfit.
<b>Mythological beast (Cyclops)</b>	Create a one-eyed giant by wearing a tunic and making a single large eye on your forehead (use a paper plate or foam with a printed eye). Carry a foam club.	Craft it yourself. Foam and craft supplies can be found at Ibiza toy stores.
<b>Group idea – Greek gods</b>	Coordinate with friends: each person takes a different deity (Zeus, Poseidon, Hermes, Aphrodite, Hades, etc.). Over-the-top accessories like wings (for Hermes) and elaborate crowns make the group stand out.	Purchase several of the ready-made "dios griego" costumes from Disfrazzes (Hades, Poseidon) and Funidelia; shipping is 24–48 h to the Balearic Islands <sup>4</sup> <sup>2</sup> . Add handmade accessories for the rest.
